Dear Generous Donors,

Thank you for generous donations of \$2000 and \$215 to the Arlington Food Pantry received on 12/19/2016.

Because of your donation, I'm excited to announce that we are able to expand hours in 2017. Starting in January, we will be open every Wednesday, once in the morning and again in the evening to accommodate the many different families and individuals that need access to nutritious food. We will also continue a once a month Saturday distribution at our Marathon site for those who are working during the week. We hope that by being open more often, more families in need will access the Food Pantry and no one will go hungry.

The Arlington Food Pantry is supported by the Arlington Health and Human Service Charitable Corporation, a non-profit 501 (c)(3) entity (tax id 55-0854287). No goods or services were provided by the organization in return for the contribution.

Again, thank you for your generous donation. Your donation will help make sure none of our neighbors go hungry.

Sincerely,
