To Whom It May Concern:,

Thank you for supporting One Can Help.

Your financial donation will be used to help some of the neediest children and families in our community.

Extreme poverty, domestic violence, substance abuse, child neglect, homelessness, mental health problems, and children who are in the foster care are just some of the situations we work with on a daily basis in juvenile court. Our goal is to give children and families the help they need to become more successful and have a more positive life.

Together we are making a real and tangible difference!

If you need more specific information concerning your donation, please let us know. For more about what we do, please visit our website: [www.onecanhelp.org](http://www.onecanhelp.org).

**Thank you,
